Mr. Harold Weisberg,
313 H Street, N.W.,
Washington, D. C.

Dear Harold:

Thanks very much for your letter and also for the pair of Bata shoes. I would suggest that you send me the story and all the documents as soon as you are finished. After we read the story we will decide whether we want to come down to Washington and talk things over with you or whether it would be best for you to come up here. Meanwhile we have ordered lots of pictures from all the agencies on Bata.

It is not necessary for you to write separate captions because I can take little items out of your story and use them under the pictures.

I doubt very much if we are going to use any color photos so don't worry about the seals.

I think I can get the picture of Tydings under a swastika -- in fact I have it.

I will be looking for your story.

Best regards.

Sincerely,

Don Martin
